

# LEARNING PROGRAMMES

## 2021/22

With over 60 years of combined teaching and training experience, our accredited, appropriate and vetted staff provide a professional service, delivering high quality and relevant programmes of learning.

- We bring significant depth of investigation experience
- All trainers are experienced, relevant and accredited educators
- We have global experience of designing & delivering bespoke programmes of learning for law enforcement agencies
- All our programmes are interactive and inclusive
- Courses designed to suit at competitive prices
- All programmes are aligned to UK Skills for Justice, National Occupational Standards (NOS)
